16th International Conference on Systems, Signals and Image Processing

IWSSIP 2009

June 18 – June 20, 2009, Chalkis, Greece

CALL FOR PAPERS

The 16th International Conference on Systems, Signals and Image Processing, IWSSIP 2009 will be held in hotel Lucy in Chalkis, Greece during June 17-19, 2009. IWSSIP 2009 follows the successful events previously held in Budapest, Manchester, Poznań, Zagreb, Bratislava, Maribor, Bucharest, Prague Chalkida, and Bratislava. IWSSIP brings together researchers and developers from both academia and industry to report on the latest scientific and theoretical advances, to discuss and debate major issues and to demonstrate state-of-the-art systems.

Topics of interest
The program includes keynote and special lectures presented by eminent experts in the field, peer reviewed contributed papers, posters, invited sessions on the same or related topics, industrial presentations and exhibitions about but not limited to the following topics for IWSSIP 2009 conference:

- Signal Processing and Systems
- Artificial Intelligence Technologies
- ICT in E-learning/Consulting
- Video Streaming and Videoconferencing
- Watermarking and Encryption
- Speech and Audio Processing
- Image and Video Processing and Coding
- Multimedia Human-Machine Interface and Interaction
- Multimedia Content Processing and Content Description
- Multimedia Signal Processing
- Multimedia Databases
- Trust and Security systems

- Multimedia Communications, Networking, Services and Applications
- Multimedia Data Compression
- Multimedia Systems and Services
- Information and Network Security
- IMS based NGN Architecture, Services and Protocols
- Mutimedia Services in NGN
- DVB and IPTV Technologies
- Multicast & Broadcast for IPTV
- Service Control and Media Delivery in NGN based IPTV
- Service Selection and Discovery for Multimedia Services
- Next Generation Mobile Networks
- Fixed Mobile Convergence
- Wireless sensor network systems

Submission of Regular Papers:
Prospective authors are invited to submit full-length, four-pages long papers, including figures and references. Papers must be submitted electronically by March 2, 2009. Each paper will be reviewed by at least two independent reviewers, and will be accepted based on its originality, significance and clarity. Please note that the submission dates for papers are strict deadlines.

Publications:
All accepted papers will be published in Proceedings that will be available at the conference. Extended and enhanced versions of selected papers will be published in scientific journals, as well.

Conference fees:
The payment methods will be updated later.
